Re: Reminder Notice of Tax Delinquency & Hold on Registration
Renewal

As you know, your CA registration renewal is upcoming with the online renewal portal opening on or about February 1st.

This is a formal reminder notice that the Maryland Office of Comptroller has notified this Board that you are currently in arrears on either tax or child support payments. Accordingly, this Board cannot process any application to renew your upcoming CA registration renewal due by March 30, 2017 (Late Renewal March 31st – April 30, 2017 with assessed late penalty by the online renewal system). Please be advised that you must personally clear the tax delinquency with the Maryland Office of Comptroller in order to renew your registration. The contact number for the Comptroller is 410-974-2432.

If you have any questions or require any clarifications, please call Kimberly Link, Compliance Mgr. at 410-764-3922.
